Broad Objective of the Symposium:

Advance the implementation of Global Strategy on Human Resources for Health towards achieving Universal Health Coverage and the Sustainable Development Goals.

The Symposium would be an amalgamation of policy makers, planners and practitioners from public/private health sector, civil society and professional associations, academia and researchers across the health sectors in India and globally.

Organised by the National Institute of Health and Family Welfare, in Partnership with UNICEF and WHO

Last date for sending nominations- **November 27th,2020**
