**Subject:** Women Centered Comprehensive Abortion Care: Resource material

Dear Sir/Madam,

Greetings from NIHFW.

NIHFW has developed a "Public Health Education & Research Consortium - Network & Partnership and one of the mandate of the consortium is to develop and share the health/training material with all the partners. In this series, following material is developed and is being shared with you.

India has a high Maternal Mortality Ratio. One of the components of RCH-II is to reduce maternal deaths from unsafe abortions and increase access to 'Safe Abortion Care'. As a part of this initiative, to promote safe abortion care, we are pleased to share with you a CD containing the following training and reference materials on Women Centered Comprehensive Abortion Care, developed by *Ipas*, for your reference and use during training programs at your institutions.

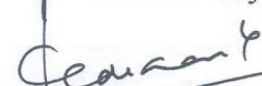

We are enclosing two copies of the CDs. You may keep one copy for your reference and one copy may be shared with the Head, Deptt. of Obstetrics & Gynaecology for better readership.

The CD contains the following reference materials in two volumes as listed below:

- |                   |  |                                  |
|-------------------|--|----------------------------------|
| <b>Volume 1 :</b> | a. Training of Trainers Manual           | b. Flipchart                     |
| <b>Volume 2 :</b> | a. Certified Providers Manual            | b. Nursing Staff Manual ( Hindi) |
|                   | c. Material for District Level Committee | d. Abortion Scenario in India    |

I hope you will find the above material useful. Should you require any additional copies you may contact NIHFW at dnandan51@yahoo.com or director@nihfw.org or *Ipas* at ipasindia@ipas.org.

With regards

Yours sincerely  
  
(Deeki Nandan)
